Terms and Conditions for "iStage"
Effective 15 September 2025

1. Definitions

1.1 **"Project"** means the "iStage (formerly iOS KLCK)" lock screen preset for KLCK on Android, which emulates the look and feel of Apple's iOS lock screen.

1.2 **"Author"** means Jason Lee (also known as *Modelized*).

1.3 **"Preset"** means any compiled KLCK file, resource pack, or update officially released by the Author.

1.4 **"You"** or **"User"** means any individual who downloads, installs, or uses the Project.

2. License and Permitted Use

2.1 Officially released Presets may be downloaded and used **for personal, non-commercial use only**.

2.2 Redistribution—whether unmodified, modified, forked, or ported—requires the Author's prior written consent.

3. Ownership and Intellectual Property

3.1 All rights, title, and interest in the Project and Author created resources remain with the Author.

3.2 Reverse engineering, decompilation, extraction, or any other unauthorized reproduction or disclosure of the Project's code, formulas, or assets is prohibited.

4. Third-Party Rights Notice

4.1 "Apple", "iOS", "iPhone", and related marks are trademarks of Apple Inc.

4.2 The Project is inspired by, but not affiliated with, endorsed by, or sponsored by Apple Inc.

4.3 The Project does not include any **Apple-owned assets** (such as fonts, icons, or graphics). Users are solely responsible for acquiring any **third-party resources** required for functionality.

5. Disclaimer of Warranty

5.1 The Project is provided **"AS IS"** without warranty of any kind, express or implied.

5.2 The Author does not guarantee that the Preset is error-free or that it will not affect battery life, performance, or device stability. You assume all risk arising from installation or use.

6. Limitation of Liability

To the maximum extent permitted by law, the Author shall not be liable for any indirect, incidental, consequential, or special damages arising out of or in connection with the Project.

7. Termination

7.1 These Terms take effect on 15 September 2025.

7.2 The Author may terminate your license immediately upon any breach of these Terms. Upon termination you must delete all copies of the Preset.

8. Enforcement
Violations may result in takedown requests, revocation of usage rights, and any other remedies available under applicable law.

9. Contact
Questions regarding these Terms may be directed to the Author via Reddit DM or the email address listed in the GitHub repository.

Beta Software Addendum to the iStage Terms and Conditions
Effective 15 September 2025

1. Scope and Incorporation
1.1 This Addendum governs any pre-release build of iStage (formerly iOS KLCK) that the Author supplies for testing.
1.2 The **iStage Terms and Conditions (15 September 2025)** remain fully in force. If a clause in this Addendum conflicts with the main Terms, this Addendum controls for the relevant Beta build.

2. Definition of "Beta Software"
2.1 "Beta Software" means any build explicitly labelled **Alpha, Closed Beta, Public Beta, Preview, Test, Early-Access** or a similar pre-release designation.
2.2 *Alpha / Closed Beta* builds are distributed to a limited group selected by the Author and are subject to stricter rules (see §§5, 6).
2.3 *Public Beta / Preview* builds are made available to a broader audience and follow the standard rules below unless otherwise stated.

3. License and Permitted Use
3.1 The Author grants you a personal, non-transferable, non-commercial license to install and use the Beta Software for personal use.
3.2 You may **not** redistribute the Beta Software (in whole or in part) without the Author's prior written approval.
3.3 All other license limits in the main Terms continue to apply.

4. Feedback
4.1 You may voluntarily provide bug reports, logs, screenshots or suggestions ("Feedback").
4.2 Feedback is optional, and may be submitted through the channels designated by the Author.

5. Confidentiality (Alpha / Closed Beta Only)

If the build is marked *Alpha or Closed Beta*, you must keep all features, files, screenshots and discussions confidential and must not post them publicly without the Author's written consent.

6. Termination (Alpha / Closed Beta Only)
6.1 The Author may revoke your AlBeta license **at any time**, including if your use of the Beta Software is deemed inappropriate or disruptive.
6.2 If your license is revoked, you **must** delete all copies of the Beta Software.

7. Disclaimer of Warranty (Beta Specific)
7.1 The Beta Software is **experimental** and may contain errors that cause crashes, battery drain or visual glitches.
7.2 The Author provides the Beta Software **"AS IS"** with no express or implied warranties and disclaims responsibility for any issues arising from its use.

8. Governing Law and Dispute Resolution
The Governing-Law and Dispute-Resolution clause in the main Terms applies equally to this Addendum.

9. Contact
Questions about this Addendum or testing the Beta build may be directed via Reddit DM or the email address listed in the GitHub repository.
